Artistic Director Note

I am absolutely in love with Kate Hamill's adaptation of *Pride and Prejudice*. She turns this classic story of romance on its head with a quirky, contemporary feel, and simultaneously lands us squarely in the timeless struggle to find love. How is it that we ever find our soulmate? Can it be our imperfections, like Lizzy and Darcy's, that make us right for each other?

With Austen and Hamill, we witness the conflict of 'imperfect' people trying to live in a 'perfect' world of manners and expectations. People make terrible mistakes, break traditions, and defy social norms. That is the intrigue and the hilarity. Hamill's adaption highlights a simmering desperation for fulfillment: for our children and for ourselves. We hope to find success in the eyes of our families and to be loved for our smarts as well as our beauty. To be seen as human beings, and accepted fully.

This is how Mary Finnerty, the amazing Park Square education director, wants our student matinee audiences to see themselves - in their complete complexity.

Mary has led this program for 26 years, and over the 14 months that I have known her, I have understood her to be a person with a big heart and remarkable drive. She holds a deep passion for Park Square and for the students, teachers, and community that she serves.

This is the final show that Mary will be working on before her retirement and the production exemplifies all of her dreams for this program. It is diverse, it connects students to their own lives through the magic of the theatrical experience, and it makes theater fun for our all of our audiences.

Mary, thank you for service and artistry, and for bringing your heart to Park Square.

So enjoy the mayhem, wit, and drama of *Pride and Prejudice*. If you look closely, I think you will see a piece of your own crazy life on stage.

Enjoy the show!

Synopsis

On stage a lively acting company performs *Pride and Prejudice*—a story about the game of love. Bells ring with each successful round of romantic engagement!

Wealthy Mr. Bingley has rented nearby Netherfield Park causing great excitement among Mrs. Bennet and her unmarried daughters. Bingley arrives accompanied by his fashionable sister and his friend Mr. Darcy. Bingley and Jane Bennet fall in love, but the match is thwarted by Mr. Darcy. Lizzy is put off by Mr. Darcy's smug and condescending demeanor, but

is charmed by Mr. Wickham, who claims that Darcy seriously mistreated him. Clergyman Mr. Collins, a distant relative of the Bennets who is set to inherit their estate, arrives intending to find a wife from among the Bennet sisters, but is snubbed by all.

Whatever the various resolutions, Darcy, Bingley, Jane, Elizabeth and the others will need to overcome their pride and prejudices if they are to find love in the midst of these uncertain and complex roles, rules and relationships.

JANE AUSTEN Austen was born on 16 December 1775 in the village of Steventon in Hampshire. She was one of eight children of a clergyman and grew up in a close-knit family. She began to write as a teenager. In 1801 the family moved to Bath. After the death of Jane's father in 1805, Jane, her sister Cassandra and their mother moved several times eventually settling in Chawton, near Steventon. Jane's brother Henry helped her negotiate with a publisher and her first novel, *Sense and Sensibility*, appeared in 1811. Her next novel *Pride and Prejudice*, which she described as her "own darling child" received highly favorable reviews. *Mansfield Park* was published in 1814, then *Emma* in 1816. *Emma* was dedicated to the prince regent, an admirer of her work. All of Jane Austen's novels were published anonymously. In 1816, Jane

began to suffer from ill-health, probably due to Addison's disease. She traveled to Winchester to receive treatment, and died there on 18 July 1817. Two more novels, *Persuasion* and *Northanger Abbey* were published posthumously and a final novel was left incomplete. (courtesy BBC News Services)

Director's Note

we congratulate our modern world too quickly, as recently as 1972 my own mother was unable to apply for a bank account in her own name without a husband's signature and we still do not have an Equal Rights Amendment. And so Jane Austen remains current.

**Not only
entertaining
but timeless
and feminist**

I'm not sure how I avoided her for so long but until Park Square artistic director Flordelino sent me Kate Hamill's adaptation of *Pride and Prejudice*, I had never cracked a Jane Austen book. Ever. Not even *Pride and Prejudice*. I did not know what I was missing all those years! Her portrayals of family dynamics, gender, marriage and class through witty recognizable characters makes her not only entertaining but timeless and feminist.

That this play is funny is undeniable, but it is the desperate stakes of their world that roots all the humor and sets the context in which these characters play out their decisions. With no brothers to inherit the family home the Bennet women face the prospect of poverty, homelessness and desperation if they can't "win" husbands. But also, for a woman in Regency era England, marriage meant "civil death" in which she ceases to be a separate human being with individual autonomous rights. Tough choice. Poverty or Erasure? And lest

As I laugh at these brilliant characters in the hands of these talented actors, I am reminded of the great 17th century French playwright Molière. Like Molière, Austen is a genius of comedic social commentary, pointing out preposterous social rules with a pen as sharp as a knife.

Founders Society

The Founders Society recognizes individuals who have made a future gift to the Theatre through their wills or other estate plans. These gifts literally lay the foundation for the next generation of theatre goers—making each donor a founder of Park Square’s future. You don’t need to be rich to leave a lasting legacy. You can provide for your heirs, gain important tax benefits, and even receive an income now by making a thoughtful planned gift. Planned Gifts include: A Bequest in Your Will; Retained Life Estate; Gift of Retirement Plan Assets; Charitable Remainder Trust; Gift of Life Insurance Policy; Charitable Lead Trust; Charitable Gift Annuity

For more information about planned gifts and their potential tax advantages, please visit parksquaretheatre.org/legacy
